*Summer 2018!*  
*will find Pontecorvo Ballet Studios*  
*dancing all summer long!*

This summer at PBS will be a little different than before with two class opportunities.

First, **evening classes** for all levels will run for seven weeks from July 9 through August 23. Advanced dancers are encouraged to attend 2-3 times per week, levels C, D & E. Special Summer Class Cards are avail-

able for these classes (in 5 or 7 class sets), so that dancers can attend when they can and not have to make up or worry about missing class. If a Summer Class Card is not used up this summer, then the balance can be applied to fall tuition or used next summer. (Adults may use existing Adult Class Cards.)

Second, PBS will hold a traditional two-week full day **summer intensive** course for intermediate and advanced dancers age 10 and older July 23- August 3.

Summer study is extremely important for young dancers. Ballet technique is a matter of muscle memory and conditioning, and when a dancer stops for the summer months, much of that muscle memory and conditioning is lost. Even for young dancers, the momentum is lost. This new PBS summer schedule gives dancers an easy, flexible way to build and maintain their artistry.

## Summer Class Levels

Contact the director with any questions about selecting an appropriate class.

All evening classes taught by Director Barbara Pontecorvo.

For more information about PBS, visit [www.pbstudios.com](http://www.pbstudios.com)

Students attending the Summer Intensive will be placed in an appropriate level at the start of classes.

**Baby Ballet**, Ages 3 – 5, is a class for very young dancers who are discovering their love for movement, music and imagination. We will learn to recognize all the dynamics and rhythms of music, strengthen and stretch our muscles and imagine all different types of stories. Forty-five minutes of fun!

**Beginning Ballet**, Ages 6-8, is a class for the young dancer ready to start barre work and the real technique of ballet. But the fun will still be there as our movements become more stylized but still respond strongly to the music. We will learn to use our feet and understand how beautiful our arms can be.

**Ballet Technique A**, Ages 7 – 9, is for dancers who have had ballet study in the past and are ready to go on to the challenges of ballet's demands. The nine body positions are introduced, pirouettes, simple allegro combinations are all included.

**Ballet Technique B**, Ages 10+ is for beginning adults and teens. If you are over 10 years of age and just beginning, this class is for you. It will cover the basics plus get you moving and jumping and ready for fall classes.

**Ballet Technique C**, Ages 10+ is for dancers who have training and are ready for Pre-Pointe or Pointe Work. This class will work on cleanliness as a dancer and stress placement and using their feet with precision. Also appropriate for advanced dancers and intermediate adults.

**Ballet Technique D**, Ages 11+ is for the dancer on pointe. This is an Intermediate/Advanced Class that will be on pointe for dancers who have already taken Beginning Pointe during the regular school year. Classes will be challenging and fast moving. Intermediate adults also welcome.

**Ballet Technique E**, Ages 12+ is an Advanced ballet class that will cover all points of ballet technique. Advanced Adults also welcome.
